2011 Nissan Rogue

134,000 miles. Excellent mechanical conditon. Had catalytic converter replaced, recent transmission and coolant flush. Also oil change done.

1 month old brand new all season tires. In very good condition. I am asking 7500.00 I still owe 1992.00 and am willing to go to dealership with interested buyer to recieve title upon payment. I love this car. But looking for something smaller. Please only interested parties contact me.
