Selling the boat. This is a 19' 1997 Bayliner Trophy. Been in the family since it was brand new. Just not using it like we use to. Got a few nicks and scratches as is to be expected from a 20+ year old boat but still runs like a champ and catches fish.

boat includes:

- Engine is a mercury 175hp 2-stroke offshore series. Topped the boat out around 46-48 mph. Not sure on the hours as the boat was passed down through the family. But approx. 300 hours over the last 5 years and I would estimate 750 hours prior to that. But this engine has always been maintained regularly.
- 2 Scotty 1106s with swivel mounts and braided line
- Lowrance HDS 7 gen 2 touch screen
- New full zip canvas in 2019.
- New interior cushions 2019.
- Diesel heater
- New trim tabs switch
- 82 gallon fuel tank.
- 15hp engine 2 stroke with external tank.
- Ez load galvanized trailer with tie downs and tie downs in 2018
